Topic:	Community Club Registration Eligibility – For Athletes	
Policy Type:	Provincial	
Effective:	September 2016	Page 1/1

Athletes are eligible to register for one Special Olympics club.

If a sport is at full capacity or not offered at their home club, they may attend another Special Olympics club for that sport.

They must remain with that sport program for the remainder for the season.

Athletes will pay a registration fee to the home club. Sports fees, if applicable, will be paid to the corresponding sport program.

When athletes compete with their sport club; their registration and travel fees should be paid by their home club.
